

Searching the web

✓ Use just two or three key words.

capital city France Great Fire 1066

✓ Use inverted commas to find exact names.

“Queen Elizabeth II” “Chinese New Year”

Filter results to only show certain media.

✓

✓ Cross-reference (compare) websites to check the information on them is reliable.

✓ Put information you find into your own words to avoid plagiarism (copying other's work and pretending it's yours).
